

first_name : Paolo

Last Name:Cecchi

Professional Summary:

Experienced Cloud Interconnect Specialist with a proven track record of designing and implementing robust cloud connectivity solutions. Proven expertise in optimizing network performance and ensuring seamless integration of cloud services. Strong analytical and problem-solving skills with a focus on delivering high-quality solutions.

Work Experience:

Cloud Interconnect Specialist | SkyLink Solutions, New York | January 2018 – Present:

Spearheaded the design and implementation of scalable and secure cloud interconnect solutions for multinational clients.

Collaborated with cross-functional teams to analyze complex network requirements and delivered customized connectivity solutions.

Achieved notable success in optimizing network performance, resulting in a 20% reduction in data transfer latency.

Network Engineer | GlobalTel Communications, San Francisco | June 2015 – December 2017:

Configured and maintained a sophisticated network infrastructure, specializing in cloud connectivity solutions.

Implemented redundant and fault-tolerant solutions, ensuring a 99.99% service uptime.

Conducted in-depth performance analysis, leading to the implementation of strategic optimizations for enhanced network efficiency.

Education:

Master of Science in Network Engineering | Tech Institute, Silicon Valley | Graduated in 2015

Technical Skills:

Cloud Platforms: AWS, Azure, Google Cloud

Cloud Interconnect Technologies: Direct Connect, ExpressRoute, Interconnect

Networking Protocols: TCP/IP, BGP, OSPF

Security: VPNs, Firewalls

Network Monitoring Tools: Wireshark, Nagios

Programming: Python, Bash

Relevant Projects:

Successfully implemented a hybrid cloud architecture, seamlessly integrating on-premises and cloud resources.

Led the enhancement of network security through the implementation of VPN solutions for remote access.

Certifications:

Certified Cloud Network Engineer (CCNE)

AWS Certified Solutions Architect – Professional
Azure Solutions Architect Expert
Languages:

Native Language: English
Additional Languages: Spanish
Hobbies and Interests:

Continuous learning about emerging trends in cloud networking.
Active participation in industry forums and conferences.
